Dear Sylvia,

Just want to let you know the copying has not gotten forgotten-pretty delayed tho. I've started a new job as a cabinet maker's helper and am happily making a go of it. ( except, that is, for the 20 mile motorcycle ride these cold mornings )

The copying is complete and all that remains is a cover letter - 2moro, I promise and then off at book rate.

Meanwhile I want you to have the Murret file enclosed. Jerry and Jeff G. have suggested sending it to Earl Golz. I mailed the three page synopsis to him yesterday with a note explaining the full file has been sent to you.

Thanks again for dinner. I thoroughly enjoyed the evening.

With Warm Regards,

*Keim*
