Mr. James J. Rowley, Chief
U. S. Secret Service
United States Treasury Department
Washington, D. C.

Dear Mr. Rowley:

In response to your memorandum of March 20, 1964, the Commission would appreciate your securing copies of all video tapes, films, and audio tapes from KRLD-TV, WFAA-TV, KXVA-TV, KSEY-TV, and KLLP-TV for November 22, 23, 24, 1963 as listed in Special Agent John Joe Howlett's report for the period March 16-18, 1964 (File 00-2-34030). Reasonable markings showing times of recording and broadcasting would be most helpful.

In addition, the Commission would like summaries of the contents of all other radio tapes determined by Agent Howlett to be available, and copies of broadcast logs of KRLD, WFAA, KLLP, KSEY, WRAP, KXVA-TV, WFAA-TV, WFAA-TV, and KXVA-TV, for the period 12 noon Friday, November 22, to 12 midnight Sunday, November 24.
