Dear Mr. Hoover:

In connection with its review of arrangements for safe-
guarding the President, the Commission would appreciate being
furnished any materials which have not already been furnished,
in the following categories:

a. Any written description, which existed at the
time of the assassination, of criteria employed in determining
what information coming to the attention of the Bureau should be
furnished to the Secret Service.

b. Any written description, which existed at the time
of the assassination, of the procedures employed in carrying out
liaison with the Secret Service in connection with safeguarding
the President.

c. Any memorandum or study of the matters covered in
a or b above, which has been prepared since the assassination,
including any consideration of any change in such criteria or
procedures.

To the extent that written materials do not now exist
with respect to these matters, it would be of great assistance to
the Commission if a written report or reports thereon could be
prepared and made available.
