Mr. James J. Rowley
Chief, United States Secret Service
Department of the Treasury
Washington, D. C.

Dear Mr. Rowley:

We would greatly appreciate it if the Secret Service could arrange to have certain exhibits, which were introduced in connection with Commission depositions, photographed in triplicate.

The photographs should be 8" x 11" glossy photographs and should show the exhibit number.

Your cooperation is greatly appreciated.

Sincerely,

J. Lee Rankin
General Counsel
