Dear Ms. Meagher:

Thank you for your kind letter concerning WATERGATE: CHRONOLOGY OF A CRISIS, VOLUME I.

Regarding two of the questions you raise, (1) we have no plans to publish an index of the Senate Select Committee hearings; and (2) we see no problem in your use of subject headings from our book.

Given the unpredictable turns the Watergate affair may or may not take, we hesitate to advise you whether or not to proceed with a subject index of the committee transcripts. We may well publish additional volumes of our CHRONOLOGY, but this decision will also depend on Watergate developments.

Sincerely yours,
