Mrs. Sylvia Meagher  
302 West 12th Street  
New York, New York 10014

Dear Sylvia:

I have just read your letter of 31 August 1970, addressed to Paul Hoch. I have also just finished laughing and wiping the tears from my eyes. Your comments are a masterpiece, and I can only wish that I would have had the opportunity to see Hoch's face after he read your letter.

It continues to amaze me how so many individuals will look for ways to stretch and torture a point, in order to apologize for and explain away the obvious inadequacies of the WCR. Fortunately, as long as you are around, they won't get away with it completely unchallenged.

Please keep in touch.

With kindest personal regards.

Sincerely,

  
Cyril H. Wecht, M.D., J.D.

CHW/mg

P.S. I am sending back the copy of Hoch's article that you mailed to me in case you need it.
