Mrs. Sylvia Meagher
302 West 12th Street
New York, New York 10014

Dear Sylvia:

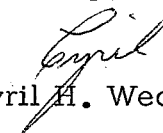

Thank you for sending me a copy of your article dealing with the Charles Givens affair. I find it most interesting and quite logical. I have no specific suggestions or corrections to make.

The enclosed letters to Hoch and Bernabei are self-explanatory. I am sorry that I could not be of more positive assistance to Bernabei. I would be most interested in learning what other forensic scientists have to say about his theories.

I shall be on Long John Nebel's show on Friday evening, December 11. I shall try to call you on Friday or Saturday before I leave New York.

With kindest regards.

Sincerely,

Cyril H. Wecht, M.D., J.D.
