

14 April 1971

Dr Cyril H Wecht
Coroner
Alleghany County
542 Fourth Avenue
Pittsburgh, Pa. 15219

Dear Cyril,

The enclosed article on Mayor Flaherty of Pittsburgh, from The Nation of 19 April 1971, will interest you even more than it interested me, which was considerably. This mayor comes off as a most impressive guy. Is that your opinion, too?

I have just been talking on the phone to Tink Thompson, who will probably be writing to you soon. We were remarking that come the 1st of November, the five-year moratorium on requests to view the autopsy photos and X-rays will expire, and wondering if you will go ahead and ask to examine this evidence, as originally proposed by Ted Kupferman. I certainly hope that that is your thought. If so, this may already be the appropriate time to set things in motion. Tink seems to feel, from correspondence he had a few years ago with Burke Marshall, that he is open-minded and accessible. It is something that the three of us might ponder and perhaps discuss.

Best personal regards,

Sincerely yours,
