Dear Sylvia:

Thank you very much for your letter of 9 May 1971, your suggestions for my letter to Burke Marshall, and a copy of your excellent, unpublished article dealing with the JFK autopsy.

I shall be out of the country from May 21 through June 6, but I shall begin to put my letter together shortly after my return. By then, I assume that I shall have received the benefit of Tink's thoughts in this matter, also. That reminds me - approximately when should the letter be submitted? I guess the answer to that question is anytime from this point on?

It is a shame that Harold Weisburg did not give you permission to publish your article. I think it would have had great impact.

With warmest personal regards.

Sincerely,

Cyril H. Wecht, M.D., J.D.
