Mrs. Sylvia Meagher
302 West 12th Street
New York, New York 10014

Dear Sylvia:

Thank you for sending me copies of Penn Jones' Editorial and your letter to Belin. I enjoyed both very much.

I spoke to Burke Marshall in New Haven on Tuesday, August 31, and apprised him of my intention to submit a letter of request to examine the JFK materials at the National Archives. He told me to submit my request to James B. Rhoads, the National Archivist, rather than to him. I shall do this and send a copy of the request to Marshall.

Dr. John Nichols has filed his appeal brief, and the Government has submitted its rebuttal brief. I doubt that he will get anywhere.

I shall send you a copy of my letter to the National Archivist.

With best wishes.

Sincerely,

Cyril H. Wecht, M.D., J.D.
