Dear Dr. Wecht:

This is in reply to your letter of November 4, 1971, concerning the X-rays and photographs relating to the autopsy of President John F. Kennedy.

The letter agreement between Mr. Burke Marshall, the Kennedy family representative, and the Administrator of General Services dated October 29, 1966, provides for a determination by the Kennedy family representative concerning the qualifications and serious purposes of experts who apply to examine the autopsy X-rays and photographs. As you indicate that you have sent a copy of your application to Mr. Marshall, we shall wait to hear from him concerning his decision. You will be notified as soon as possible.

Sincerely,

A handwritten signature in cursive script that reads "Herbert E. Angel".
