Dear Professor Marshall:

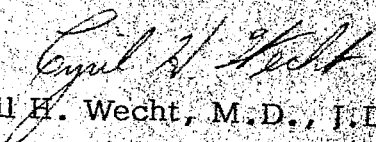

I have not heard from you since your brief note of 17 December 1971, concerning the request that I submitted to you last Fall for permission to review the various autopsy materials at the National Archives relating to the death of President John F. Kennedy.

I realize that you have been extremely busy, but I hope that it will be possible for you to review my application soon.

As I have suggested previously, I would be happy to meet with you in New Haven, or talk with you by phone, should you desire any additional information concerning my professional background or reasons for wanting to review these records.

Thank you.

Very truly yours,

  
Cyril H. Wecht, M.D., J.D.
