Mrs. Sylvia Meagher
302 West 12th Street

Dear Sylvia:

The enclosed two articles should be of interest to you.

It seems that Lattimer really went to great pains to answer and explain many of the criticisms that were directed at his original public proclamations following his review of the materials at the National Archives.

I may be hearing from Burke Marshall soon. If I get permission, then we shall have to meet and thoroughly digest these articles as well as an abundance of other materials.

I'll be in touch with you shortly.

With kindest regards.

Sincerely,

Cyril H. Wecht, M.D., J.D.
