Mrs. Sylvia Meagher
302 West 12th Street
New York, New York 10014

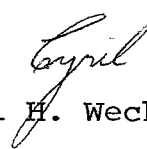

Dear Sylvia:

I just received reprints on the recently published MODERN MEDICINE article, and I am sending one along to you for your files.

This medical journal supposedly goes to approximately 200,000 people, mostly physicians. I have yet to receive a letter from anybody arguing in defense of the WCR, although I realize that this cannot be taken as an accurate indicator of how people feel.

With best wishes for the New Year.

Sincerely,

Cyril H. Wecht, M.D., J.D.
