Dear Dr. Wecht:

Enclosed is the edited manuscript of your paper, "The JFK assassination: current status," which will be published in Modern Medicine. You will find the paper essentially unaltered from its submitted form. It was well organized and clearly written, so it needed little work on my part.

Nevertheless, please review it carefully, enter any corrections or other alterations you find necessary, and return the copy to me in the enclosed envelope.

Thank you for your excellent contribution to Modern Medicine.

Cordially,

A handwritten signature in cursive script that reads "Paul D. Schultz".
