Mrs. Sylvia Meagher
302 West 12 Street
New York, New York 10014

Dear Sylvia:

It was a very pleasant surprise hearing from you, and I appreciate your taking the time to call. More importantly, and more personally pleasing to me, is the fact that you and Tink continue to have such a deep, active interest in this matter. I hope that we shall always be able to turn to each other whenever the need arises.

Enclosed are two copies of all the materials that I sent to Tink recently. I shall be most interested in finding out what Lowenstein's reaction is to these items and the various other materials that I had previously submitted to Tink to give to him.

With kindest personal regards.

Sincerely,

Cyril H. Wecht, M.D., J.D.
