Dear Dr Wecht,

I appreciated the opportunity of talking to you tonight and am grateful for your readiness to send me your paper on the Warren Report. My address and telephone number are indicated below.

If you find time during your forthcoming visit to New York, do call on me. If I have some advance notice, I will if you like invite some other critics of the Report to meet you and exchange ideas. In any case, I can show you some photographic material which you may find interesting.

Thanks again.

Yours sincerely,

Sylvia Meagher
