Dear Miss Meagher:

Thank you for your kindness in sending me a copy of the transcription of portions of the Long John program in which we discussed the examination of President Kennedy and the Warren Commission Report. I always find it interesting to read extemporaneous remarks. It is amazing how often you encounter incomplete sentences, dangling participles, and redundancies!

I shall try to read Epstein's book and the various magazine articles that you mentioned in your recent letter, and I hope that we shall have an opportunity to discuss them in the near future.

With kind regards,

Sincerely,

  
Cyril H. Wecht, M.D., LL.B.
