Gentlemen:

I am writing to you at the suggestion of Dr. Cyril H. Wecht to request the July 1966 issue of the Journal of Forensic Sciences (Volume II No. 3). As I do not know the price, I am enclosing my check for \$5.00, which I hope will be sufficient to cover the cost of at least one copy. If it is excessive, I would rather have a second copy of the same issue than a refund.

I should be particularly grateful to receive this copy of the Journal by first-class airmail, should the enclosed remittance permit; or I will be happy to pay any additional costs by return mail.

I hope that you will be able to give this matter your immediate attention, as I am anxious to receive the Journal at the earliest possible moment.

Yours sincerely,

Sylvia Meagher
