Dear Miss Meagher:

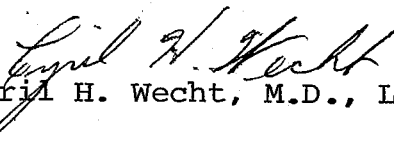

I enjoyed reading your comments.

The remark about the destruction of autopsy photographs is based on unofficial comments made by some of the people involved in the investigation. I shall attempt to see if I can locate the exact reference for this, and I shall send it to you if I am successful.

I hope that I shall soon have an opportunity to meet with you and others who are interested in this matter - perhaps the next time I get to New York.

With kind regards,

Sincerely,

Cyril H. Wecht, M.D., LL.B.
