Dear Miss Meagher:

Thank you for your letter of 13 November 1966. I would be happy to meet with you and Congressman Kupferman, although I would prefer another time if possible. Would any of the following times be suitable for both of you: 1) Saturday morning, December 10; 2) Luncheon meeting on Saturday, December 10; 3) Friday evening, December 9, at 11:30 P.M.; 4) Friday, December 9, at around 6 P.M.

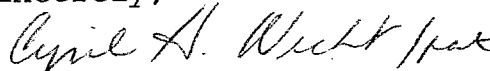

If any of these times is convenient for both of you, please let me know.

I would be very happy to have Doctor Helpert view the slides with the three of us, assuming that we are fortunate enough in obtaining permission to do so. I have taken the liberty of letting Doctor Helpert know that Congressman Kupferman and/or you would be in touch with him shortly to make this offer directly.

Thank you for the information concerning James Worrell. It is most interesting. I agree with you that the odds for all these violent deaths having occurred in such a short time and within a select group of people are way out of line.

With kindest regards,

Sincerely,

Cyril H. Wecht, M.D., LL.B.
