Dr. Cyril H. Wecht
1417 Frick Building
Pittsburgh, Pa. 15219

Dear Dr. Wecht,

I have copied the enclosed excerpts from an advance copy of RAMPARTS January 1967 issue. Please let me know if you have any disagreement with Riddle's analysis, or any comments.

Did you send Kupferman your biographical sketch or whatever you promised him? As of last week, he was complaining that he had not received it.

Warm regards to you and to Mrs. Wecht,

Sincerely yours,

Sylvia Meagher
