Dear Sylvia:

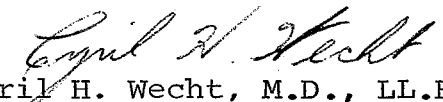

Thank you for your letter of 31 December and also for the very interesting comments made by you in January, i.e., "The Credibility Chasm". I found your comments interesting and probing as always.

I did not receive a copy of the letter that Ted Kupferman had sent to the National Archives. If you feel that it is not improper, I would appreciate your sending a copy along to me for my files. Incidentally, is there anything new along these lines? Has Kupferman heard anything from the National Archives? Has he undertaken any moves in Congress as yet?

I look forward to hearing from you, and I shall let you know in advance prior to my next visit to New York City.

With kind regards,

Sincerely,

Cyril H. Wecht, M.D., LL.B.

CHW/pat

P.S. I assume that you saw the recent article in the Saturday Evening Post which briefly referred to some of my comments at the American Academy of Forensic Sciences Meeting last year.
