Dear Sylvia:

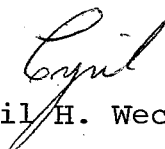

Thank you for having obtained a gift subscription for me to *The Minority of One*. It was very kind and thoughtful of you to have done this.

I have started to read your book, and I find it most interesting and enlightening. It should get a good response, although I know that the Warren Commission apologists and defenders will be most unhappy with it.

Looking forward to seeing or talking with you the next time I get to New York.

With kind regards.

Sincerely,

Cyril H. Wecht, M.D., LL.B.
