AIRMAIL - SPECIAL DELIVERY

Mr. Trent Gough
National Chairman
Kennedy Assassination
Inquiry Committee
G.P.O. Box 2691
New York City, New York 10001

Dear Mr. Gough:

I must regretfully withdraw from the program that you have scheduled for the evening of Monday, 12 February 1968 in New York City. It has now proven impossible for me to cancel or reschedule the two professional commitments that I had previously made in Pittsburgh for that evening.

I realize that I had told you that I would be able to readjust my schedule in order to participate in your Meeting, but apparently, I acted prematurely. I should like to apologize for any inconvenience that this may have caused you or your group. Fortunately, as I recall, you had planned to have two or three other panelists for that evening, and therefore, the subject matter can still be handled in thorough detail.

I hope that your group continues to grow in numbers, strength, and influence.

Thank you for having invited me to participate in your Meeting. I wish that I could have attended.

Sincerely,

Cyril H. Wecht, M.D., LL.B.
