Dear Sylvia:

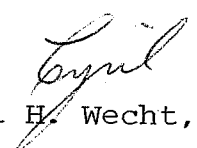

Just a belated note to your letter of 20 February 1968 and a thank you for the materials that you enclosed.

I am glad that you told me about the Trent Gough meeting in New York. Any guilt feelings that I might have had have been dispelled!

I was in New York for a day and a half in early March, but I was tied up with meetings the entire time. I did try to call you once, but received no answer. I was on the "Long John Show" and we discussed the Warren Report once again. At least, I get a chance to try to convert more of Long John's listeners each time!

With kindest personal regards.

Sincerely,

  
Cyril H. Wecht, M.D., LL.B.
