## 12/21/66

Dear Mrs. Meagher:

Harold is away at the moment. His schedule calls for his return tomorrow night, but I'm not sure he'll be able to adhere to it.

If there are any questions that should be answered, he will certainly take care of them when he returns. I expect him to be home (except for trips to Washington) during the holidays.

Hope you have a pleasant and peaceful holiday season.

Sincerely,

Lillian Weisberg

We toit have added your name to the list of orders for WWIII, altho I'm sure you'd have received it anyway fee
