

Texas GA 2 file, examined 7/22/71 for Ct. Inq. correspondence. It contains more than just the Texas correspondence but contained none of the evidence supplied by the Ct Inquiry. As they appear, and here I note only the correspondence, from front to back, or, roughly, in reverse chronological order, eliminating other items:

Of interest insame file, to be ordered:

GD1408:10-1;26-8.

7/26/71--I am returning this because I have no interest in the Court of Inquiry. I get the copies for you only because you asked me to. Please do not order anything for me. If you want me to get more things for you because of the usual delay between you and A, then I'll gladly do that. HR
