

OCEAN BEACH, FIRE ISLAND, N. Y. This world famous summer colony, lying between the Great South Bay and the Atlantic Ocean is reached by ferry from Bay Shore, Long Island, N. Y. This is an aerial view looking East, and shows Ocean Beach, Seaview, Ocean Bay Park and Point O'Woods.

"COME TO OCEAN BEACH FOR A REAL VACATION"

Arrows on reverse side points to approximate location of my small house. My hopes for peace, rest, sun, and sea have been fulfilled — this is what I needed badly. Hope you are well and that your work continues to be sensational.

All my best — Sylvia
