Mr. Harold Weisberg
Coq d'Or Press
Hyattstown, Maryland 20734

Dear Mr. Weisberg:

Like CBS News, I remain personally of the belief that the Warren Commission's findings more nearly fit the preponderance of facts to date than do other theories.

If you would like to state the opposing case in an article of around 1,000 words for UPI, I would be glad to take a look at it and see whether we could use it.

Sincerely,

Julius Frandsen
