Mr. Gilbert Harrison
The New Republic
19th & M Streets, NW
Washington, D. C.

Dear Mr. Harrison:

You offered my first book, WHITEWASH: THE REPORT ON THE WARREN REPORT, for sale. The third has been greeted with silence - total except for more than 40 inches as news in the New York Times.

I do hope you will use your influence to get a dialogue going.

If you again decide to offer my work, for sale, I think it will be more profitable to you to get the books directly from me.

Sincerely yours,

Harold Weisberg
