

ALEXANDER KLEINLERER, 3542 Kent, was interviewed at Loma Industries, Inc., Highway 81 South, where he is employed as a foreign representative for that company. KLEINLERER is a naturalized U. S. citizen, coming to the United States on May 7, 1956, from France.

KLEINLERER met LEE HARVEY OSWALD through ELENA HALL, Trail Lake Drive, Fort Worth, approximately 14 months ago. ELENA HALL was at that time divorced from her husband, JOHN HALL, and KLEINLERER was dating her at that time. ELENA HALL subsequently re-married JOHN HALL in the fall of 1962. At the time KLEINLERER met OSWALD and his wife, MARINA OSWALD, approximately September, 1962, KLEINLERER was dating ELENA HALL. The circumstances of the meeting were that a GEORGE BOUHE of Dallas brought OSWALD and his wife to Miss HALL in Fort Worth to possibly get Miss HALL to help or find some aid for Mrs. OSWALD in connection with her teeth. Miss HALL was a dental lab technician.

KLEINLERER stated that it is his recollection that Miss HALL proposed to Mrs. OSWALD that she, Mrs. OSWALD, and the baby live with her at her home on Trail Lake Drive. KLEINLERER said that OSWALD did not stay there, and it is his belief that OSWALD worked in Dallas during this time. In late October or early November, KLEINLERER received notification from OSWALD's wife that she was moving out of Miss HALL's home. Miss HALL was in New York at the time, and KLEINLERER had the key to her home and was looking after it in Miss HALL's absence. KLEINLERER went over to Miss HALL's residence to lock the doors and see that everything was all right when OSWALD came to move his wife. KLEINLERER stated that at this time when OSWALD came to move his wife, he slapped her in the face and caused her to go into another room crying. KLEINLERER stated that from others he got the impression that OSWALD mistreated his wife terribly. He also stated that in his opinion Mrs. OSWALD was lazy and very dirty in her housekeeping. He gained this impression from going to the HALL house occasionally to check and see that everything was all right. On many occasions he found that Mrs. OSWALD would sleep until noon every day.

KLEINLERER stated that he met OSWALD at Miss HALL's home possibly on two occasions when he came to her house while dating Miss HALL. He said that he and OSWALD never engaged in any conversation politically, and the only conversation they had was to pass the greetings of the day, or he would talk to Mrs. OSWALD about the baby. KLEINLERER stated that he really wanted to stay away from OSWALD and no have anything to do with him. KLEINLERER said that the only other time that he met OSWALD was when he was dating Miss HALL, and it was desired to help the OSWALDs financially. He and Miss HALL took a baby bed and mattress to their home when they were living behind Montgomery Wards in Fort Worth. At that time the baby was sleeping on the floor between several suitcases. KLEINLERER pointed out that when OSWALD visited his wife at Miss HALL's, he never left her any money then or at any other time as far as he can find out. Miss HALL furnished the food for Mrs. OSWALD and other necessities.

KLEINLERER stated that he is a very good friend of MAX CLARK and his wife, who live in Fort Worth. When he saw in the paper that OSWALD was returning to the United States with his Russian wife, he spoke to MAX CLARK and his wife at that time, and he was against having anything to do with OSWALD because he said he did not trust him. He stated that at that time, MAX CLARK seemed to feel the same way but later OSWALD and his wife were brought to Fort Worth by some of the Dallas acquaintances of MAX CLARK.

KLEINLERER stated that since Miss HALL re-married and other than the above aforementioned incidents, he has had no contact whatsoever with OSWALD or his wife.
