On January 24, 1964, Mr. EDDIE BARKER, Director, KXND Television and Radio, advised that WARREN FULKE had interviewed Mr. ILYA HAMANOV, 8911 East Hockingbird Lane, on December 8, 1963, at the KXND Television Studio. BARKER advised that HAMANOV is employed as a Geologist for Sun Oil Company and teaches at Southern Methodist University.

BARKER stated that prior to filming the interview FULKE and HAMANOV discussed the interview and arranged several of the questions in order to make the interview interesting. BARKER advised that part of the interview was shown on their news programs on December 6 and December 7, 1963, and that they were re-runs of the previous showing. BARKER stated that they taped the entire interview, however, only one part of the interview was actually used in the news program.

BARKER made available the sound film of the entire interview with HAMANOV for review by the FBI.
