Dear Mrs Meagher,
I thought that you
might find the enclosed
articles interesting.

Recent publications (The Murder
of J. F. K. by Bonner, Conspiracies
Interpretations of The Assassination
of President Kennedy by Arthur
Goedberg, and J. F. K. Assassination
File by Jesse Curry) certainly
add further substance to
"Accessories".

The concept of another
tube found at the scene

is an interesting (if not new) theory.

Is there any evidence to support this contention?

Sincerely,

Edward R. Williams
