Dear Mrs Meagher,
Re your recent
letter, The Murder of
G.F.K. Day Judy Bonner
is prepared by
Grant and Dunlap.

I want you would
separate cover copies
of Conquest - Interpretation
and Foreign My Grief
III.

The former contains
furthermost interest
with the date
referred to the date
of George C. Thompson.

The photographs
reproduced of the
mail of "Grief and
many original
documents (some of
them were published
in Foreign America)
have always interested
me.

The "Answers" testimony
of George and Jean
de Mafrenschel is
interesting.

Please keep the
books and let me
know of any new
developments.

Sincerely,
Edward R. Williams
