Dear Mrs. Meagher:

Thank you for the copy of your Book Review.

Unfortunately, such "Official" versions of Dealy Plaza gain credence if only by comparison with the Mort Sahl genre speculations.

A search for truth leads between Scylla (The W.C.) and Charaybdis (critics of the Joesten School).

Sincerely,

A handwritten signature in cursive script that reads "Edward R. Williams". The signature is written in black ink and is positioned above the typed name.
