Dear Mrs. Magrath:

Thank you so
much for The Tower
Observations.

It was tremendously
written and interesting
and informative.
Mr. Bevin's "non-
stop" was unobscured
if irrelevant.

The fact that you
would limit it
to make positive data,
which is going to,
"The Great Simplifiers",
gives it an historical

validity Regional and
topical programs.

Must SARE did

make one urgent
point upon the de-
partment that present
events had outdoor
fire own program.
On route observation
informed but the
present events in
L.A. and the crudely
illegal method of
Federal preservation
in New Orleans.
