Dear Sylvia,

Hope you had a fine vacation. It is quite pleasant here.

The revelations of the past week simply overwhelmed the non-palomaid mind.

Plans to assassinate the President of Panama, to blow up the Brookings Institution, to plant "left wing" evidence against Bremer - make common place plans!

Of course, Mr. Nixon has used the novel defense that wiretapping could have prevented the conspiracy to kill N.F.K.! A more subtle way of criminalizing Democrats that he, also, can battle skeletons.

Of America lets Nixon/Agnew remain in office - well throw out the Constitution!
