Dear Sylvia,

I found Scott's article in Ramparts and Fensterwald's Enquire piece of interest.

The Watergate Committee appears to be following the well paved road of The W.C.! Segretti was not even asked about his meetings with members of

The Secret Army, a Calif. based paramilitary group. Perhaps, like Hunt's now "assassination plots", the subject is "distasteful".

Gerald Ford, a fitting choice of those backs who gave us The W.C.!

It's all so naughty fantastic.
