Dear Mr. Williams:

This is in further reference to your previous communication to me, regarding my interest in reopening the study of the assassination of President John F. Kennedy.

On February 19, I introduced in the U. S. House of Representatives, H. Res. 204, which, if passed by the House, would create a select committee in the House to conduct an investigation and study of the circumstances surrounding the deaths of John F. Kennedy, Robert F. Kennedy, and Martin Luther King, and the attempted assassination of Governor George C. Wallace. Enclosed is a copy of my statement, as it appeared in the Congressional Record.

The resolution has been referred to the House Committee on Rules of which the Honorable Ray Madden (D.-Indiana) is Chairman.

It is important that you communicate with your own Congressman or Congresswoman, to ask that he or she support H.Res. 204 by becoming a co-sponsor and by pressing for an early hearing on the resolution in the Rules Committee by communication to Congressman Madden and others on the Committee.

Again, thank you for your interest.

Sincerely,

Henry B. Gonzalez, M.C.
