

Dear Sylvia,  
Good to  
talk to you  
again!

Why we  
should assume  
'good faith' on  
the part of  
The H.S.C.A. is  
beyond me.

They hold  
back what they  
caused and al-  
tered what they  
had to give up.

Yes, they  
ridiculed the  
critics. Odd,  
since the critics  
did their work.

The media re-  
sponded by saying -  
two or three lone  
nuts, so what!

Best Wishes,  

**Never Hug  
a Chocolate BUNNY!**

**Happy  
Easter!**
