

Date December 14, 1963

Mr. HANK FARMER, 2362 Toronto Street, telephone ME1rose 7-1637, in care of Mrs. DOROTHY MARTIN, above address, advised he is a service station attendant at the BROCK station, 2200 West Singleton Street, Dallas, Texas.

Mr. FARMER advised that on November 22, 1963, at approximately 12:15 p.m., he arrived at the Dallas County Courthouse to pay taxes. He was unaware that there was to be a presidential motorcade passing by. He noticed the crowd and heard someone say that the President is coming. He waited in the park at the corner of Houston and Elm Streets and watched the motorcade come west off Main Street on to Houston Street and then west on Elm.

He stated he saw President KENNEDY appear to fall over in the car and then he saw Governor CONNALLY also appear to fall over. He did not hear any shots fired and did not know what had happened. There was confusion with many people running in all directions, and then the President's car drove off at a high rate of speed.

FARMER stated that he did not know what happened, but thought that both men had been shot; however, he did not hear any shots.

He stated he has no further information to furnish on the shooting as he then returned home. He does not know LEE OSWALD and has never seen him other than on television. He does not know JACK RUBY and saw him only on television.
