Special Agent EMER MOORE, United States Secret Service, 505 North Ervey Street, Dallas, Texas, exhibited the following photographs in possession of the Secret Service which photographs were taken by Mrs. MARY ANN MOORMAN, 2932 Hippewood, Dallas, Texas, on November 22, 1963. Both photographs were made with a polaroid camera.

The first photograph is of very poor quality, being extremely light and exhibits a lower corner of the Texas School Book Depository Building. In view is shown in the photograph of the upper floors of the building and particularly the windows on the sixth floor from which shots were fired at President JOHN F. KENNEDY on November 22, 1963. The principal subject in this photograph is a Dallas milkman on a motorcycle. No other parts of the Presidential motorcade are seen in the photograph.

A second photograph taken by Mrs. MOORMAN was sold to the Associated Press by Mrs. MOORMAN. This photograph, a copy of which was exhibited to SA CHARLES T. BROWN, JR. by SA MOORE, of the Secret Service, shows the automobile occupied by President KENNEDY which photograph apparently was made shortly after President KENNEDY was struck by a bullet fired by the assassin. The Texas School Book Depository Building does not appear in this photograph at all and the entire photograph is filled with the view of the President's automobile. The photograph shows President KENNEDY leaning slightly to the left toward the position in which Mrs. KENNEDY is sitting in the car. This photograph appeared in many newspapers throughout the United States and the copy exhibited to SA BROWN by SA MOORE carries a Dallas, Texas dateline of November 22, 1963. It is indicated to be a "(AP Wirephoto) (one third sec) 12/12/63". Information appearing under the photograph reflects the photo includes "Kennedy hit by assassin's bullet....photo made by Mrs. Mary Ann Moorman, wife of Dallas plumber, with a polaroid camera."
