Dear Harold and Lil:

Yesterday I ordered 5 copies of Whitewash at \$4.50 apiece but failed to include a check. While I know I have unlimited credit, that is going too far! If I am wrong on the price, bill me.

Today is my 40th birthday and I was greeted at work by a flock of Flamingoes! Pic included. My brothers think they are so funny. My mother drove by and was laughing so hard she wouldn't even stop. All the denizens of Lyndon Lane are getting a good chuckle.

Still reading Selections and it is great! I like the cover. It must be odd after so many years of being out of print to be back in big time. I really like the organization. Plus big print, for 40 year old near sighted lawyers.

Sincerely,

Bill
