RE: Will

Harold,

For some reason, I have become confused in writing your and Lil's will, for which I apologize. Let me ask you a question.

I think I am clear on most of it but two issues. Do you wish to leave Jerry McKnight or Dave Wrone anything personally? I am sorry that I have to ask you again, but I am no expert on using the computer and I have it messed up.

I may call you after you get this letter and talk to you about it. I want to at least get you a copy this week to look at again.

Here is another brand of hopefully fresh typewriter to try. Let me know if you like it.
