Dear Harold:

Enclosed is a letter I wrote Jane Norris, local radio morning talk show host. No word yet.

I return two archival pieces you sent me a few days ago. You sent them to me by mistake. In addition, I have warned you about using that old worn out stationary. The envelope was ripped open on the bottom, I believe I got all the stuff, but it was dry rotted.

As for the Garrison article, I believe you refer to a letter to the local paper by Jim Mitchell, discussing the Supreme Court case. If I can find it, I'll send it to you. Mitchell is a lawyer and former local news reporter on TV, who once says he met you in New Orleans. He was kind enough to reply when I wrote him after the letter suggesting he read Whitewash. He said he had read it, but he did not give me a return address, he has moved to Arizona and I guess he did not want to start a correspondence.

Now on your will, you have to tell me if you have any bequests to Wrone or McKnight. It has to be in writing.

I have some other stuff to send you, nothing important. Send it in a couple days. Must go back to work. I enclose an article on the secret 4000mph plane I saw two years ago. Just a red light in the night sky. Our tax dollars at work!

Hope I hear from WHAS, just don't know. If I can't get you on the radio, I am going to resign as your agent. Say HI to Lil, we are well but busy.

Thanks for all the stuff you have sent me recently. Talk to you soon.
P.S. Pretty interesting airplane flying at 1600 Pennsylvania Ave.
Sort of makes the hair stand up on the back of your neck.

Bill
