Dear Harold,

A quick note. I will try to get you a photo of the Zapruder frame 335+ that shows the back of the head. I will have get a commercial place to do it. I thought you had someone else to get it. I need to send Lil the 8 track too. I just found the demag for it.

I thought you would get a kick out of the Marshall papers controversy. I agree with you.

The late part of the week is the Bar convention. I have spoken to one of the Supreme court justices here and have hopes of wowing him with our efforts to expand the Cooper archives. We have made some progress, but not in the Warren Report. *-Lately! we did get a whole file cabinet this spring.*

Do all the JFK people make the pilgrimage to your home? I hope you asked Jim Leavelle about accidentally shooting that guy by playing Quick Draw McGraw a few months ago!

I have some JFK stories I got from one of his aides this past weekend I'll tell you about when I have more time. Apparently Cooper had a number of copies of the Warren Report signed by all the members that never made it to the archives.

I want you to tell me about suing the Zapruder estate sometime. Never heard that story.

I need to write McKnight a letter sometime. Never have. I appreciate you sending the articles and letters to Wrone. Say Hi to Lil!

Our best,
