Harold,

I'm practically leaving town!  
This is the ABC "20-20" Posner  
& Nosenko tape. If you need a transcript,  
let me know. I'd have to order one.

To watch, turn on TV & push in  
tape. You can't hurt it - your machine  
is most single I've ever seen.

Note entry of "back of neck" wound.  
To return to me no hurry - replace old  
stamps on box with new ones - I'd do it  
but I'm about out. Needed to send  
my bills! Glad you liked stationery - I have  
indoctrinated them at print shop - they are hunters,  
did not think Oswald that good of shot anyway!  
Alma, Bill & Peter

The very beginning is from Morris  
Oswald interview I missed accidentally.  
On NBC - Ignore!

I have been using this hi-fi  
recording tape, which gives excellent  
recording.

You know, if you were younger, me too! -  
we should drink a fifth of  
good Kentucky bourbon and go  
find Posner and kick his sorry  
Ass! The least the so-good  
bastard could do is send you a  
couple of copies of his stupid book,  
ABC at least tries to be balanced.  
I come to you with no preconceived notions,  
and I agree with you 100%!

Dear Bill:

I am enclosing copies of some Kennedy assassination materials which we recently acquired from Senator Cooper's office at Covington and Burling. Some of it you may have already seen.

The tape of Oswald's interview in New Orleans may be of interest. It has been transferred from a 33 1/3 recording.

There is also another item which I did not copy because of its length, but will do so if you want it. It is a transcript of the BBC documentary, "The Assassination of President Kennedy: What Do We Know Now That We Didn't Know Then?"

I hope things are going well for you. Thanks for the last items you sent me. I was sorry that I was tied up interviewing a job applicant the last time you called.

Sincerely yours,

*Bill*

Bill Cooper
