Dear Harold and Lil:

We are having a little horse race here soon. We hope you get the chance to watch. Unwrap carefully.

-I have taken the liberty of sending Gerald McKnight's glasses with yours. Gerald's are in the little red bag.

I read part of Case Open. I really hope it gets the PR it deserves. The cover is great and the editing is pretty good. As I said in my last note, it is ironic that I haunted bookstores for over ten years trying to get a copy of Whitewash, and now I get your new books gratis! I really do appreciate it.

I'll let you know if I get rich on the Derby!
