## 6/4/ $/ 9{ }^{\prime \prime}$

Interesting articles with your 6/2. I'll be miking copies of the Hunt article on the Hadean book for a fer others.

As by now you know the man you can into in the bookstore phoned me and guessed that it was you he met there. And you should have what we bent on the will by now or if not in Mondays mail.

The story on Lincoln having to sue the railroad for his fee may not be new to Jerry but Id like to see that and then I'd give it to him.

I did establish a file on ${ }^{\text {J. jackie's }}$ death largely because I came to think that it is something that will be of interest to the young. women at Hood, if not now then in the future, so Ill be clad to get those clippings, thanks

I hope the good excuse does entice the two of you to cone here in the fall.
Kissinger: on power as the ultimate aphrodisiac is not new but the rest that Haldeman had to say is to a degree, and authoritative.

Including Indy 500 seats is, as $y$ au sixty, the ultimate in estate planning!
I think the DC equivalent is Redskin's season tickets.
I had one experience with so-callerl critics helping with the outside work. The one is more than enough. And when they do not know the difference between a weed and a flower in assassination information, who could trust the with Hills posies?

C \& G did arrange for a talk show in Eugene Oregon this past week and for poe in DC for this comines weak.
and Patricia Holt, San F. Chronicle book editor, actually/ysed a she sentence to tell her readers that it is out and on sale and disagrees with Posner. I do mean a whole sentence, too. Hot a review. In a column. I wrote and thanked her, too. Only newspaper mention of which ${ }^{\perp}$ know and it will, I think, let many out there know they "can get the book. And, after six weeks, with that the only mention, in itself that is commentary.
$\mathrm{H}_{\mathrm{H}}$ ir ir you and Betsy were here you could fire somebeautıful, jast-picked fisrawberries brought by an 87 year old retired botanist friend who truck gardens because he loves it and continues after several falls with broken bones, and a stroke. He brought us five quarts.

Thanks and our best,
